

DAVAJ HET MENU

THE NATIONAL NEWSPAPER OF BYSTRICA

Girls and boys from Bystrica met up to create something never seen before...

By combining modern with traditional they prepared all manners of tasty foods

We are inspired by the traditional recipes of Slovak grandmothers, we love the Central Slovak dialects, we tap craft beers from all over Slovakia and we cook homemade delicacies.

DRAFT BEER

For strong men and women who have taste, they will draft a craft beer...

WE MADE OUR CRAFT BEER

YOU HAVE TO TASTE IT
